Greek Party Table Setting

HGTV's hostess extraordinaire, [Rana Florida](#), served up an exciting dinner menu on top of each guest's island-inspired table setting.

DIY Floral Table Runner

Instead of just one centerpiece or table runner, spread jars and vases down the middle of the table and fill them with flowers and floating candles for an eye-catching tabletop.

Greek Party Dress Code

Ask guests to dress for the theme to make the night extra special.

Blue and White Place Cards

Personalized place cards, in the blue and white colour scheme, help kick a sit-down dinner up a notch.

Stylish Place Cards

Put together place cards by folding in half an unlined index card and writing in calligraphy.

Fresh, White Flowers

Pick up a bouquet of your favourite flowers and weave it throughout your party decor.

Get Creative with Centrepieces

Glasses filled with candles are the perfect contrast to the floral centrepieces.

Greece-Inspired Cocktails

Mocktails and cocktails are part of the decor, too! Play with food colouring to tint your drinks to match your mood.

Fun Party Straws

You can't go wrong with straws that stick to the party scheme (especially when they're covered in polka dots).

Pick Your Party Flowers

For this backyard bash, stick to white flowers across the board to pull off the fresh vibe.

Small Sets of Flowers

Set small vases across the table (lots of white works well here) for an inviting, warm weather-approved look.

A New Take on Lime

For a sour summer kick, opt for kiwi with cocktails instead of the traditional slice of lime.

Island-Inspired Drinks

Set against a bright blue napkin, the set of cocktail glasses pop.

Greek Cocktails

Rana brought a bit of Greece to her own backyard with one of the country's most popular drinks.

Appetizers Aplenty

Before the meal, serve up party favourites (like green olives) in different sized jars.

Stunning White Blooms

Set up against natural greenery, these stunning white blooms help dress up the backyard.

Summertime Skewers

Rana took advantage of the gorgeous weather and grilled up some skewers for guests.

Delicious Greek Salad

The dinner party wouldn't be complete without a delicious Greek salad, of course.

Greek Party Toast
Rana and her guests toast the lovely dinner ahead.

Serve Drinks in Style

It's the little touches, like a single white sunflower set on a blue cocktail napkin, that help create the summer isle vibe.

Blue and White Sweet Table

Separate different coloured candy into various glass jars for a super sweet dessert table display.

Floating Candles and Flowers

As the day turns to night, white flowers and floating candles help set the mood.
