Ask SASS, Sisters' Advice Straight and Savvy, is a modern guide on relationships written by The Detroit News' Motown Lowdown. These four sisters and advice columnists, Reham, Rana, Ruba and Leena Kozouz, explore steamy dating issues on lust, love, lies and less. A fun, quick read sharing entertaining stories of both common and outrageous dating scenes.
Following each scenario are four distinct takes from the sisters offering their perspective and advice. Find your answer, but see before taking time to reflect on the other three viewpoints.
